

Dear Mr. Koltz,

Thank you for all of your time and effort toward my Eagle Scout Project. Without your help something as great as this could have ever happened. I also need to thank everyone else who has been a part of my project through Trout Unlimited. These checks were received after the 6<sup>th</sup>. Please add them to the total. Enjoy what is left of the warm weather and have a great Weekend.

Sincerely,

*Mike Schmitt*
